Borrower Paid Mortgage Insurance Premium: Your mortgage loan requires a borrower paid mortgage insurance premium ("MIP"). MIP is insurance from the Federal Housing Administration ("FHA") that protects lenders against loss in the event a borrower defaults on a mortgage.

**Effective for all loans closed on or after January 1, 2001, FHA annual MIP will be automatically cancelled under the following conditions:**

**Loans with FHA case numbers assigned before June 3, 2013:**

- Mortgage loan terms greater than 15 years: the annual MIP will be cancelled when the loan to value ratio reaches 78%, provided the mortgagor has paid the annual mortgage insurance premium for at least five years.
- Mortgage loan terms less than or equal to 15 years with a loan to value ratio greater than 78%: the annual MIP will be cancelled when the loan to value ratio reaches 78%.

**FHA will determine when you have reached the 78% loan to value ratio based on the lower of the sales price or appraised value at origination.** New appraised values will not be considered. Cancellation of the annual mortgage insurance premium will normally be based on the scheduled amortization of the loan. However, in cases where additional payments have been applied to the loan balance as a prepayment, cancellation can be based on the actual amortization of the loan. If you have prepaid and believe you have met the requirements for cancelling the FHA insurance, please send a written request to us at P.O. Box 1288, Buffalo, NY 14240.

**Loans with FHA case numbers assigned on or after June 3, 2013:**

- Mortgage loan terms greater than 15 years with loan to value ratio greater than 90%: duration of the annual MIP is the loan term.
- Mortgage loan terms greater than 15 years with loan to value ratio less than or equal to 90%: duration of the annual MIP is 11 years.
- Mortgage loan terms less than or equal to 15 years with loan to value ratio greater than 90%: duration of the annual MIP is the loan term.
- Mortgage loan terms less than or equal to 15 years with loan to value ratio less than or equal to 90%: duration of the annual MIP is 11 years.

Escrow Requirements, New Mortgage Payment and Anticipated Annual Disbursements

Projected Beginning Balance	\$1,140.04
-Required Minimum Balance	\$1,257.77
Escrow Shortage Amount	\$117.73

Your lowest monthly escrow balance for the next 12 months should reach \$412.45, which equals a total of two months escrow payment. To reach this balance, your required escrow amount after your 4/22 payment should be \$1,257.77, whereas your actual escrow balance is \$1,140.04. The difference, \$117.73, represents the amount needed in your escrow account and will be spread over the next 12 payments unless this amount is paid in full.

\*Based on these calculations for the coming year, if you pay your escrow amount in full your new total payment amount effective 05/01/22 will be the amount reflected in Option 1 on Page 1 of this statement. If you choose to spread the escrow amount over the next 12 payments your total payment amount will be the amount reflected in Option 2 of Page 1 of this statement.

MORTGAGOR GUIDE TO FREQUENTLY ASKED ESCROW ANALYSIS QUESTIONS

• Why am I receiving this escrow analysis statement?

Mortgage lenders are required by regulations to perform an annual review of your account and provide a hard copy statement for your records.

• What is an escrow account?

An escrow account is an account created for the borrower that is used to pay any property taxes, homeowner’s insurance and/or flood insurance (if applicable). As each mortgage payment is made, a dedicated portion is added to the escrow account to pay taxes and/or insurance.

• What is an escrow payment?

The portion of your monthly payment that is held and used to pay your escrowed items as they become due.

• How is my escrow payment determined?

The calculation used to determine the escrow portion of your payment is:

12 months of escrow payments

+ Reserve\*

÷ 12

= Escrow payment

We gather the anticipated payments that are to be paid in the next 12-month time frame from when the escrow analysis was performed. These payments may either be known, based on the prior year’s payments, or based on payments of similar residential properties. We forecast any anticipated increase or decrease and account for any existing escrow account balance. We collect 1/12th of this amount monthly.

\* An escrow reserve, also known as a cushion, is the amount of money collected to cover any unanticipated increases in your real estate tax or insurance premium payment. It acts as a buffer and helps to prevent your escrow account from being overdrawn. An escrow reserve exists on your account unless your mortgage documents or state law applies and is generally a two-month cushion.

• Will my escrow payment amount remain the same if I remit the entire shortage amount at once?

Paying the full shortage amount will adjust your account resulting in the smallest possible increase in your monthly mortgage payment amount. It’s important to keep in mind that any increase in your real estate tax amounts and/or insurance premium(s) may cause your payment amount to change even if you pay your shortage amount.

• Am I required to pay the escrow shortage amount in full?

No, you are not required to pay the escrow shortage in full. If you choose not to remit a payment in full, the escrow shortage will be equally spread over 12 months of payments.

• If I want to remit the full escrow shortage amount, what do I need to do?

You are not required to remit the full escrow shortage amount; however, if you choose to do so, you have two options:

- **Online:** Log in to M&T Online or Mobile Banking, select your mortgage account and click the “Pay Now” button. Your mortgage loan must be current to use this option.

– **By Mail:** Send a check made payable to M&T Bank and indicate on the memo line that you are making an escrow shortage payment. Please mail the check to: M&T Bank, Escrow Department, P.O. Box 64787, Baltimore, MD 21264-4787. If you are paying your escrow shortage, the funds will be applied immediately, however your mortgage statement may not reflect changes until the analysis effective date.

• Why did my monthly escrow payment amount change?

Your payment may have increased for several reasons. Some of the most common reasons are:

- Increases in your property taxes and/or insurance premiums
- Increases in your property’s tax assessment
- Changes in your insurance carrier
- Changes in your Tax due date
- Fewer deposits to escrow than expected

**TIP: Municipalities offer a few common tax exemptions for disability, homestead, senior and veteran status. Check with your local tax office to see if you are eligible for these, or any other exemptions.**

• Why didn’t my payment go down when my taxes or insurance did?

The tax and/or insurance figures used for your analysis calculation are based on last amount(s) paid, or, where applicable, from your prior servicer or from your closing documents. If you have received more recently updated information from your tax assessor, please forward it to eta@mtb.com.

• Information regarding insurance

Hazard insurance, also referred to as homeowner’s insurance, is an insurance policy purchased to protect your property from certain hazards such as fire and theft. Policy coverage may vary. See your insurance policy information for details regarding your specific coverage(s).

If you decide to change your insurance carrier, please send the new policy information to: M&T Bank, It’s Successors and/or Assigns, P.O. Box 5738, Springfield, OH 45501-5738. Or submit online at mycoverageinfo/mtb.com.

• Do I need to send my tax and insurance bills each time they’re due?

M&T receives the tax information directly from your municipality. Unless requested, you do not need to send them in. Tax bills are typically paid two to three weeks prior to the due date. If you want a supplemental, interim, or added assessment tax bill paid by us, you will need to forward it to eta@mtb.com.

M&T receives insurance information directly from your carrier. However, if you change insurance carriers, please go to mycoverageinfo/mtb.com to update your insurance information.
